Announcement on Acquisition of Naming Right for Tennis Courts in Soga Sports Park

We would like to take this opportunity to announce that the Government Ordinance Designated City of Chiba (Mayor: Toshihito Kumagai) and Fukuda Denshi Co., Ltd. (President: Kotaro Fukuda) have agreed to the following concerning the acquisition of naming right for the tennis courts (Location: Kawasaki-cho, Chuo-ku, Chiba) being newly built in the Soga Sports Park.

This agreement has been reached through discussions held between both parties since December of last year, which were based on Article 6 "Priority Negotiating Rights for Naming Rights of Other Facilities" of the agreement related to naming right of the Fukuda Denshi Arena (concluded on August 25, 2005).

1. Name

FUKUDA DENSHI Hills COURT

We have obtained the right to name the 20 tennis courts (one of the largest tennis facilities in the prefecture, with a site area of approximately 460,000 square meters) under construction and due for completion on April 23 with the name: FUKUDA DENSHI Hills COURT.

The choice of FUKUDA DENSHI Hills COURT was made because the tennis courts are situated on elevated land overlooking the wide expanse of the Soga Sports Park.

The tennis courts have been designated as an evacuation area that can hold approximately 10,000 people at times of disaster. And, as such, a quakeproof reservoir and space for emergency toilet facilities have been incorporated into the site. As a company holding to the ideology of contributing to society through medical care, we at Fukuda Denshi approve of this design plan.
